STUDENT PLEDGE FOR LAPTOP USE

As a part of my schoolwork, my school allows me the use of a laptop computer. My behavior, language and usage will follow the policies outlined in the Parent/Student Laptop Handbook, the Student Code of Conduct and the Acceptable Use Policy while at school, at sporting events, as well as at home.

I pledge the following:

- I will never leave my laptop unattended. The laptop assigned to me is my personal responsibility.
- I will take my laptop to the school office for storage if, for any reason, I am not allowed to take it home.
- I will not loan my computer to other individuals for use.
- I will know where my laptop is at all times.
- I will charge my laptop's battery daily.
- I will keep food and beverages away from my laptop since this may cause damage to the laptop.
- I will use my laptop in ways that are appropriate and educational. I will not use the computer to bully or threaten anyone, including teachers, schoolmates or other children.
- I will protect my laptop by carrying it in the case. I understand the laptop and carrying case are district property and is subject to inspection at any time without notice.
- I will not disassemble any part of my laptop or attempt any repairs.
- My computer use is not private; my teacher may look at my work to be sure that I am following these rules, and if I am not, there will be consequences which may include not being able to use the computer.
- I will file a police report in case of theft, vandalism and other events covered by insurance.
- I will be responsible for all damage(s) and/or loss caused by neglect or abuse of my laptop. I understand there will be fees that will be charge for repair and/or replacement and I pledge to pay these fees in a timely manner.
- I will return the laptop, power cables and case in good condition at the end of the school year or when I withdraw or transfer from the district.
